FROM THE PRESIDENT

Sometimes vacation memories are all we have.

Did you ever go someplace or do something and your brain starts working overtime? You start thinking about the last time you were there and who you were with. Some of the things you did, places you stayed and not to mention the meals you ate.

Kind of nice to have those memories. Things we thought we forgot years ago just resurface. It's kind of like cleaning the garage or attic and finding that old box of photographs you thought you threw out ages ago but didn't. Now, somehow you spent a whole day looking through them and day dreaming.

At the time I'm sure some of us dreaded those trips that are now just fond memories. It's odd that those things we didn't want to do with our family and friends back then are now something we wouldn't trade for the world.

Memories are stored in a filing cabinet we keep in our minds. And the best part is, we never know when it will open and most of us are glad when it does.

COVER CAR –1957 CHEVY TOWNSMAN

We recently acquired 1957 Chevy Townsman. Purchased from the Hershey Museum in December. It was a donated car that had only two previous owners. The car has only 50,xxx miles and runs well. It had a restoration in 2005 and was repainted the original color. We have had front power brakes and steering installed and upgraded the badly worn out interior. Hopefully the Townsman will be ready for spring.

REFRESHMENTS

July's ice cream social was a huge hit as always. Many thanks for the awesome homemade ice cream supplied by Jack & Joyce Wright. We also had refreshing beverages supplied by Jean Morton. The toppings for the ice cream were provided by Bob & Natalie Gomez and really topped it off (pardon the pun), especially the wet walnuts made by Joyce Wright herself. We also want to give a big thank you to Bob Gomez, Joe Toner, and Jack Wright for their hand in the scooping and Natalie for keeping the toppings filled and handling the whipped cream. If I've forgotten to thank anyone I apologize. There's always so much going on that I'm sure there's others that always lend a helping hand and we definitely do appreciate it.

Don't forget Larry & Marie Kline, August is your month. See you all then.
